

Proventuss Polska Sp. z o.o. has been awarded with Certificate of Business Credibility for the highest stability mark in 2010 by the leading international provider of commercial information - agency Dun & Bradstreet.

The credibility assessment has been based on the payment regime analysis according to Dun Trade program, financial indicators analysis, risk analysis and by use of the most extended data base of corporate, business and personal relations information.

Granting of this certificate confirms a very good financial standing of Proventuss, high business ethics and the credibility what is an important fact for our business partners and the customers in Poland and outside.

We are proud to be awarded with this Certificate and we will continue our efforts to be seen as a honest and reliable business partner especially in an upcoming difficult times.

With regards

Szymon Nadzieja
President
